## 2016 RENOVATION ANNOUNCEMENT

We are proud to announce the completion of a \$2.5 million renovation. The transformation included a makeover of the property's 140 guestrooms and suites to complement the inviting lobby, public areas and meeting space. The landmark hotel, located within the thriving community of Fishers IN is a popular destination for leisure and business travelers, as well as local sporting events, concerts and celebrations.

The restyled rooms, envisioned by a partnership with over 100 combined years in the hospitality industry, now offer contemporary comfort and exceptional function to enhance the guest experience. The top-to-bottom improvements included the redesign of bathrooms and bedrooms with a contemporary, urban chic aesthetic accented in colors of blues, greys, browns and lush dark wood. The rooms feature new Simmons Beautyrest® beds, upgraded double queen rooms, lighting fixtures and furnishings including chairs, sofa-beds, ottomans, desks, HDTV's, micro/fridge combos, headboards and TV stands. The sleek bathrooms feature all new granite, fixtures and finishes including white porcelain sinks with stainless steel faucets and hardware.
